

## WESTKREUZ

## Tips and Links for Westkreuz

**1. Schalt- und Gleichrichterwerk Halensee** | A preserved example of Brademann's expressive as well as rational 1928 brick architecture – can also be seen from the regional and intercity train lines | Halenseestraße/ Bornstedter Straße | [www.laufwerk-b.de/elektropolis](http://www.laufwerk-b.de/elektropolis)

**2. Hotel und Restaurant Avus** | "The hotel for your own personal pit stop," in the building that used to house the old racing track's offices | BAB 115, Ausfahrt Messedamm | [www.avus-motel.de](http://www.avus-motel.de)

**3. AVUS (Automobil-Verkehrs- und Übungs-Straße)** | Next to the round tower are the bleachers as well as the north curve of the first landmark-protected motorway in Europe; all looking run-down | Nordschleife | [www.kunstraum-avus.de](http://www.kunstraum-avus.de)

**4. Stadtbahn** | Admittedly, the famed line between Westkreuz and Ostkreuz does have a bit to offer | Unterer Bahnsteig | [www.stadtschnellbahn-berlin.de/strecken](http://www.stadtschnellbahn-berlin.de/strecken)

**5. Berliner Messegelände** | Despite the presence of one of the largest congress centers in the world and the Eiffel Tower-ersatz, the Funkturm, the choice of other stations also makes a visit to the conference grounds worthwhile | Messedamm 22 | [www.messe-berlin.de](http://www.messe-berlin.de)

**6. Friedhof Grunewald** | The small "island of the dead," one of the oddest and most beautiful cemeteries in Berlin | Bornstedter Straße | [www.gbbb-berlin.com/lankwitz/borni](http://www.gbbb-berlin.com/lankwitz/borni)

**7. Villenkolonie Grunewald** | For those who don't want to travel (or walk through) the grating vicinity of the Westkreuz station, the Halensee station is also a good point of departure | Königsallee | [www.berlin-magazin.info/grunewald](http://www.berlin-magazin.info/grunewald)

**8. Club Artemis** | Westkreuz is scraggy, but sexy | Halenseestraße 32-36 | [www.fkk-artemis.de](http://www.fkk-artemis.de)
